(SG&A ratio)	(49.9%)	(42.7%)	(40.4%)	(▲2.3pt)	-	(47.0%)	

^{*1} Personnel expenses include wages, recruitment, training, benefit expenses, and outsourcing expenses.

Breakdown of

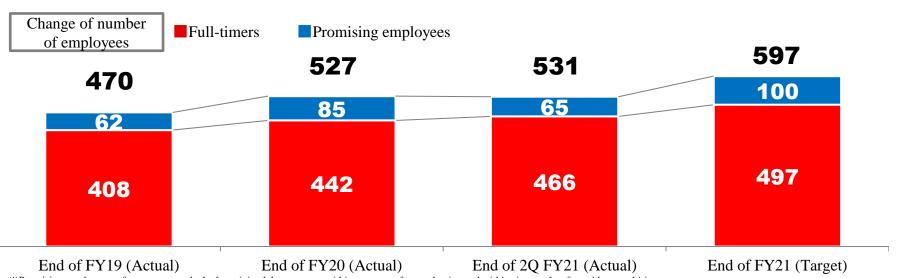

^{*3} Office-related expenses include land rent, fixed asset tax of the company's buildings, real estate acquisition tax, and depreciation of property, plant and equipment.

Number of Employees

- A total of 34 new employees (22 new graduates and 12 mid-career employees) joined the company in this April. We are actively recruiting to increase the number of employees by 70 for FY21.
- For the investment to the next generation, we are focusing to improve the skills of the promising employees who joined the company for less than one year after graduation and those who joined mid-way for less than six months. In particular, the new graduates have been trained as the new core personnel with both DX and sales' skills.

	FY19 (Actual)	FY20 (Actual)	End of 2Q FY21 (Actual) (vs end of FY20)	Remaining no. of people against FY21 target	End of FY21 (Target) (YoY)

Amortization of goodwill	4	8	+3	

FY21 KPIs

■ The number of WEBinsource new clients and new contents has made good growth.

	FY20 (Actual)	1Q FY21 (Actual)	2Q FY21 (Actual)	1H FY21 cumulative total	FY21 (Target)
No. of new contracts of WEBinsource (organizations) (Cumulative no.)	2,306 (15,798)	673 (16,471)	750 (1,7221)	1,423 (progress rate: 59.3%)	2,400 (18,198)
No. of new contents for On-Site training (Cumulative no.)	321 (3,461)	81 (3,542)	81 (3,623)	162 (progress rate: 54.0%)	300 (3,761)
No. of new contents for Open Seminar (Cumulative no.)	437 (3,296)	116 (3,412)	83 (3,495)	199 (progress rate: 66.3%)	300 (3,596)
No. of new contents for e-Learning/ video $\times 1$ (Cumulative no.)	248 (334)	48 (382)	66 (448)	114 (progress rate: 54.3%)	210 (544)
No. of core solution plans \times 2 (Cumulative no.)	60 (231)	8 (239)	11 (250)	19 (progress rate: 54.3%)	35 (266)
No. of web-sessions (Unit: thou. times)	2,010	447	418	865 (progress rate: 40.2%)	2,150

[%]1 The number of new contents for e-learning and video are those developed by the Company only (excluding partners).

^{*2} Core solution plan: A packaged plan that combines multiple services to solve the various issues (issues by type, by industry, by job title, etc.) of each organization at the same time. (known as a package plan, formerly)

Chap. 02 2Q FY21 Details by Business

2Q FY21 Highlights

2Q FY21 Consolidated Financial Results (Jan.-Mar., 2022)

- Sales increased in all businesses, with quarterly sales, gross profit, and operating profit reaching record highs. Sales of high unit-price DX training and high-profit e-learning and video sales increased significantly.
- Net sales were 2,317 million yen (+24.6% YoY). Gross profit was 1,819 million yen (+26.7% YoY). Gross profit margin was 78.5% (+1.3pt YoY). Operating profit was 899 million yen (+47.3% YoY). Operating profit margin was 38.8% (+6.0pt YoY).

2Q FY21 Details by business (Jan.-Mar., 2022)

- On-Site Training business (Sales: 874 million yen, +13.2% YoY, progress rate: 48.3%) High unit-price online training and DX training have increased in both the private and public sectors.
- Open Seminars Business (Sales: 476 million yen, +18.3% YoY, progress rate: 46.2%) DX training such as "Python Academy" and other various new training performed well, and the total number of attendees increased significantly.
- IT Services Business (Sales: 483 million yen, +21.1% YoY, progress rate: 53.7%)
 Annual recurring revenue (ARR) increased 44.1% YoY to 572 million yen with 1.93 million Leaf users. Sales of customization services also grew due to the introduction of on-the-web appraisal form service and paid optional functions.
- Other Businesses (Sales: 482 million yen, +69.4% YoY, progress rate: 65.6%) High-profit e-learning/video sales were strong in both the private and the public sectors due to fiscal-year-end demand and contents updated for legal revisions in this April.

Human capital investment to enhance competitiveness

In-House HR Development Policy – Multi-skilled Resilient to Change

- *Build a structure that allows employees to maximize their own abilities through the thorough combination of system and people
- •Develop multi-skilled personnel that can adapt to changes through flexible organizational changes and transfers.
- •Develop new products and services and improve efficiency from different perspectives based on various experiences

Educational Policy -strengthen IT skills and cost consciousness

- •Conduct IT training for all employees, including new employees.
- •Implement education about "cost consciousness" and "productivity improvement" as common themes of trainings for different position.

	Company Basic Education	Position-based Training	IT HR Development Training	Career Development	Practical Skills Education
Officer

Chief of Staff	-Company Defined Contribution Pension Plan	Business skills (technical/ conceptual/human)	Level-specific(I-IV) training based on their assigned tasks		Seminars
New Employee	Common skills training for different position	Business Literacy			
Staff	-Cost consciousness -Time management	Understanding the Company Communication			Work skills PC IT Skills

Each employee	FY18	FY19	FY20
Sales(thou. yen) ×1	20,320	16,410	21,371
Sales Profit *1 (thou. yen)	4,723	2,514	6,850
Training cost(yen) × 2 • 3	17,498	17,196	40,563
Training time(hour) × 4.5	16.5	18	16

- ※1 Calculated based on the average number of employees during the period
- ※2 Employees can attend our Open Seminars for free. The total cost of training includes price of the On-site training when conducted with an external trainer, and Open Seminar's price.
- *3 Employees took fewer open seminars and more internal trainings due to Covid-19 pandemic, which resulted in more training time but lower training cost in FY19.
- *4 Total hours of training and e-learning courses (excluded workshops)
- %5 Employees took more DX related training of open seminars, which resulted in higher training cost but less training time in FY20.

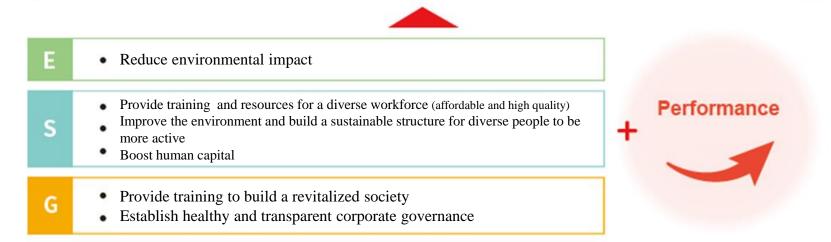

<Reference2> ESG Strategies and Topics

ESG + P (performance) –Solving social issues through our business

- Our mission is to help working people solve social issues.
- ■Insource's Group policy
 - -We will continue to improve its performance (P) while being conscious of ESG

Make everyone feel meaningful and fulfilled at work.

Received the second highest rating of AA in MSCI Rating

- •As of June, 2021 (the time Insource received), only 14 Japanese companies have received the highest AAA of MSCI ESG Ratings, and Insource has received the second highest rating of AA.
- The recognition represents that our training business, strong security measures and internal education to improve productivity were especially highly evaluated.

ESG Topics -In-house environmental activities

Environment

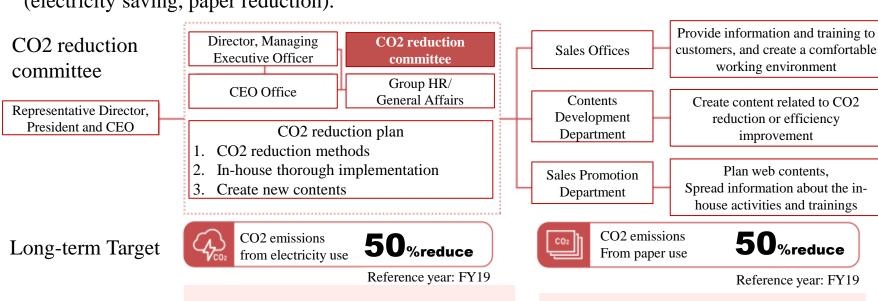

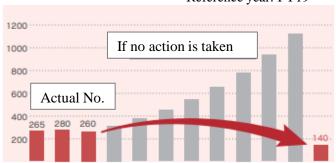

- Endorsed by TCFD in February, 2021.
- Established CO2 reduction committee, set targets and take effective measures (electricity saving, paper reduction).

Launched "e-Textbook Service" for trainings in April 2022.

~Target to reduce CO2 emissions by up to 5 tons per year

^{*} Abbreviation for The Task Force on Climate-related Financial Disclosures, established in 2015 by the Financial Stability Board (FSB) at the request of the G20. It assesses the financial impact of risks and opportunities from climate change on management and recommends disclosure of "Governance," "Strategy," "Risk Management," and "Indicators and Targets.

Copyright © Insource Co., Ltd. All rights reserved. Finsource J Leaf J WEBinsource J Douga-Hyakkaten Jare registered trademarks of Insource Inc.

ESG Topics -Support for local communities (welfare organizations) insource

Social

- Opened a new site, "mon champ", to sell products from welfare organizations (October, 2021)
 - •Supporting the employment of people with disabilities through our web sales capabilities

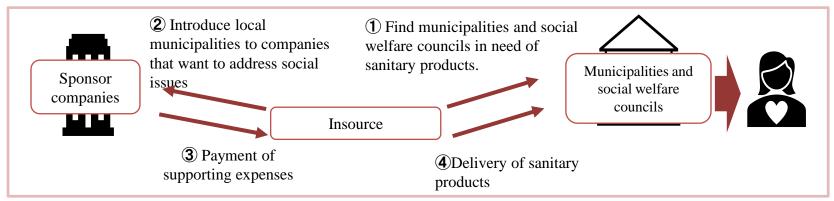

- Concluded an agreement with Arakawa Ward (Nov., 2021) ~Support for single-parent families to become self-reliant and for women to advance in society
 - Employment support for single-parent families For people who are considering a career change to clerical work. Content: PC skills, business etiquette, etc.
 - Date: Held 4 times from Dec. 2021, and to be held occasionally.

ESG ~Support for period poverty

- Start of a project to address period poverty (from February 2022)
- Period poverty
 - Inability to purchase sanitary products due to economic reasons and lack of social understanding
 - Lifetime costs are approximately ¥500,000 to ¥800,000 per person (Our estimation)
- Project Summary
 - Consolidate the power of companies to provide sustainable support.
 - •Solicit for donation of sanitary products from 30,000 business partners
 - •Provide sanitary products to more than 1,000 municipalities and social welfare councils
 - •Goal: Provide donations to 50 regions in total in the first year (2022)
 - Donation amount: 300,000 yen per unit (1 year's sanitary products for 200 people)

ESG Topics –Strengthening corporate governance system

Governance

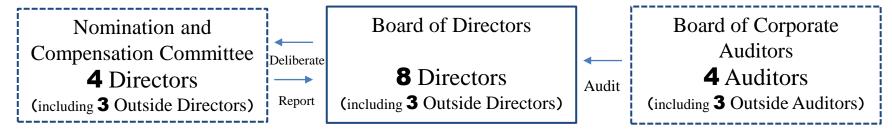

- Actively disclose non-financial information on a monthly basis
 - Newly developed training programs
- No. of Open Seminars attendees
- No. of Leaf monthly paying subscribers (organizations)

- No. of On-Site training conducted
- No. of WEBinsource subscribers
- No. of organizations implementing Stress Check Support Service
- Increased one outside director and one outside corporate auditor, with the approval at the general meeting of shareholders
 Established voluntary Nomination and Compensation Committee (December 17, 2021)

- Adopted a restricted stock compensation plan for officers etc.
- April, 2022 Moved to the Prime Market
 All principles of the Corporate Governance Code have been implemented at a higher level

<Reference3> Three-year Business Plan "Road to Next 2024"

Three-year Business Plan "Road to Next 2024" —Financial Targets

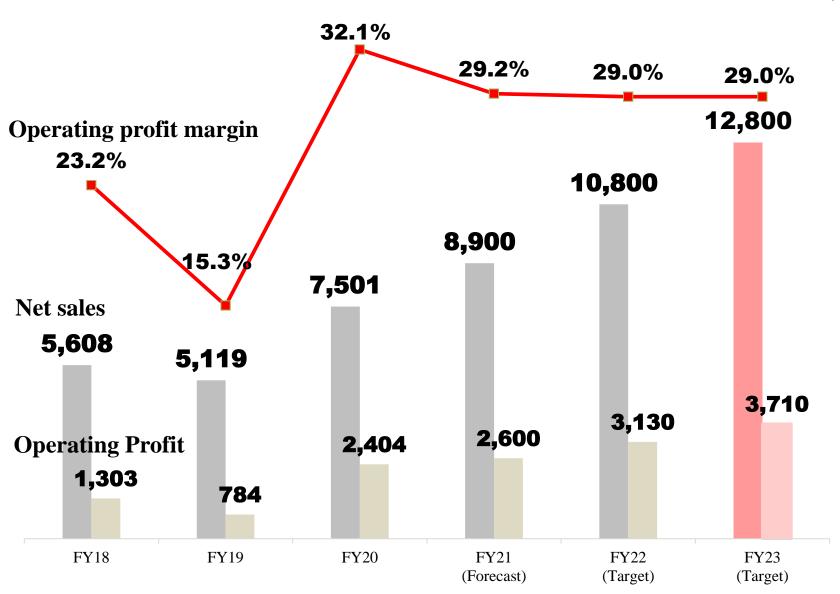

Consolidated Fina	Unit: million yen			
	FY21 (Forecast)	FY22 (Target)	FY23 (Target)	CAGR
Net sales	8,900	10,800	12,800	+19.5%
Operating profit	2,600	3,130	3,710	+15.6%
Ordinary profit	2,600	3,130	3,710	+15.6%
Net profit	1,770	2,140	2,530	+17.2%

How to achieve targets

- 1. Our share of the career training market is about 2% now. We will expand our market share by increasing our sales force and continuously developing new attractive training contents.
- 2. We will divide our customers into three segments (Large enterprise, Mid, and SMB) and build a sales structure that specializes in each customer segment. In addition, we will provide education services and IT services optimized for each segment to increase sales per customer and increase customers at the same time.
- 3. The need for digitalization of HR routine work and web marketing is expected to continuously grow. We will develop services focused on customer convenience and expand non-educational services.

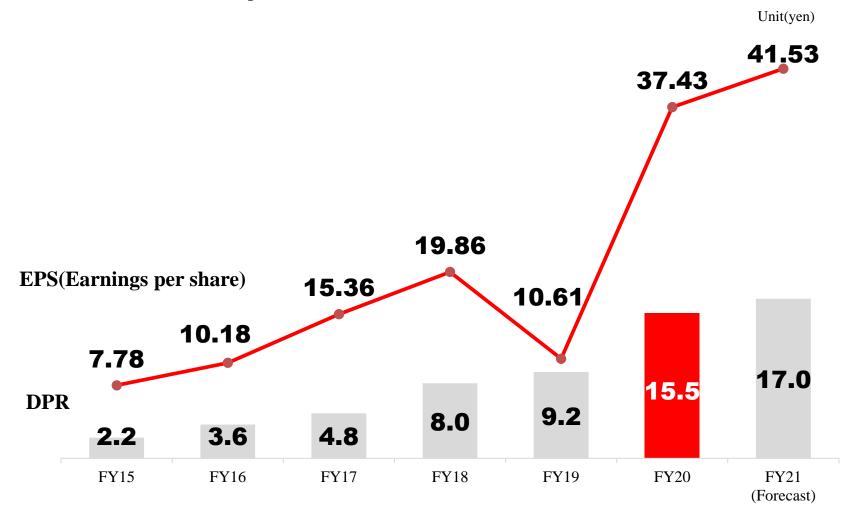

Unit(million yen)

Shareholder Return Policy

- **DPR**(dividend payout ratio) target of about 40% according to business performance.
- Dividend for FY21 is expected to be 7.7 times that of FY15 first listed.

(Note) The Company conducted stock splits on May 1, 2018, September 1, 2019, and January 1, 2021. The amount of the fiscal year-end dividend reflected stock split.

Three-year Business Plan "Road to Next 2024" - Market size

Unit(billion yen)

■Career training market —Still great potential for growth

- ■Market size is 240 billion yen in 2021 and 340 billion yen in 2024×1,2,3
- •The market share of Insource is about 2%, and there is a lot of room for growth in the future.
 - ** 1 Calculated based on the MHLW's Basic Survey on HR Development (2020) and MIC' Labor Force Survey.
- X2 Calculated based on the MHLW's Basic Survey on HR Development (2009-2020), and the ratio of outsourcing companies in 2020 was 49.7%.
- *3 Re-calculated from the MIC' Labor Force Survey based on employers with 30 or more employees, resulting in changes to the market size from 2020 to 2024.

HR digitalization market -Expansion is expected

- •Market size is 200 billion yen in 2019 and 400 billion yen in 2024. *4 Leaf's net sales for FY20 is 1 billion yen and there is a lot of room for growth.
- •HR digitalization is less advanced compared to accounting fields. It is expected that there will be growing demand for the improvement of work efficiency from mid-sized and small companies.

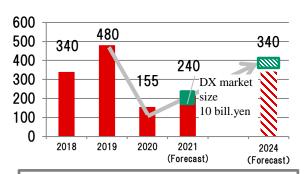

**4 Calculated based on METI's [2020 Basic Survey on Information and Communication Industry], May 28, 2021.

■ Web marketing market -Potential for new entrants

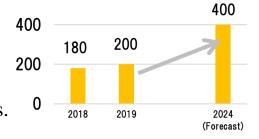

- •Market size is 2.4 trillion yen in 2019*5 and is to expand to 3 trillion yen in 2024
- •It is expected that there will be increasing needs for website or web marketing especially for mid-sized and small companies.
- •We will enter the market with our know-how based on the successful experience of web-marketing in our businesses.

**5 Calculated based on METI's [2020 Basic Survey on Information and Communication Industry], May 28, 2021.
