**Notice: Regarding the Opening of the “Insource Utsunomiya AI Research and Development Center” and Relocation of the Utsunomiya Office
- Operations to Commence on October 5 -**

Insource Co., Ltd., (hereafter referred to as the Company), a company that provides services to make all people enjoy working and feel fulfilled, is pleased to announce that it has constructed the “Insource Utsunomiya AI Research and Development Center” in Utsunomiya City, Tochigi Prefecture, and relocated its Utsunomiya Office to this new facility.

Under its vision of “promoting AI utilization to 100 million people,” the Company has been planning and developing a variety of AI products centered on education, in addition to providing AI-related training programs. With the opening of this Center, we will further strengthen our research and development capabilities, create new value through the use of AI, and enhance the quality of our services. Through these efforts, we will continue striving to become an infrastructure company that supports productivity improvement.
